* College of Business tool courses – minimum grades of “C”.

~ In order to be continued as an Accounting major, students must have a B/C combination in ACC 131 & 132 and a B/C combination in ACC 230 & 231.

See University Catalog for Outer Core requirements. One course must have the AMALI/Global Studies designation.

Math placement depends on previous Math courses completed or appropriate Math Placement test scores.

Students enrolling in 200-level business courses must have 60 credit hours completed

Courses required for the major **CANNOT** be taken pass/fail and must be completed with a grade of “C” or better.

At least 42 Senior College Hours are required for graduation.

Prerequisites for all courses will be enforced.

Candidates sitting for the Illinois CPA Exam will need 150 hours of completed college credit, including an accounting concentration and at least a Bachelor’s degree. The above program will not meet the 150 hour requirement to sit for the CPA Exam. For additional information, please contact the Accounting Advisor at 309-483-8385 or go to the Illinois Board of Examiner’s website at www.illinois-cpa-exam.com.
