

2008 Summer Business Program

Internships in Beijing, China

ISU is proud to present a new summer business internship program located in the heart of China. A new agreement between ISU's College of Business and OCDF (Our Chinese Daughter's Foundation) now allows students from both the undergraduate and graduate level the opportunity to intern in China! OCDF is a nonprofit organization which provides Chinese Culture Orientation and training/consulting to expatriates living and working in China.

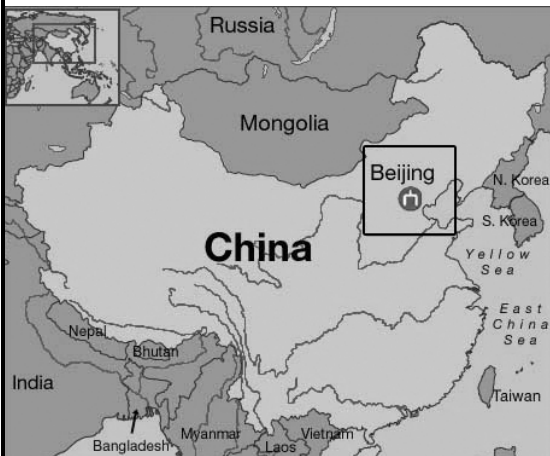

ISU is proud to present a new summer business internship program located in the heart of China. A new agreement between ISU's College of Business and OCDF (Our Chinese Daughter's Foundation) now allows students from both the undergraduate and graduate level the opportunity to intern in China! OCDF is a nonprofit organization which provides Chinese Culture Orientation and training/consulting to expatriates living and working in China.

General Information

- o Internships are 10 weeks in length and take place over the summer
- o Open to both graduates and undergraduates
- o Contact an ISU College of Business Internship Coordinator to determine credit for this program
- o Please see the reverse of this flyer for cost and billing information
- o Application are due by December 15, 2008

Language

There are no language requirements necessary to take part in this program. However, if you wish to learn Mandarin, language courses can be provided four days per week at University of International Business and Economics (UIBE) if the company allows the student to not have a full-time internship. Credits will be adjusted accordingly for this course.

Housing

Students will be housed in the International Student Dormitory of the University of International Business and Economics in the Yayuncun area of the Choayang District in Beijing. Housing in the dormitories is double occupancy with private bathrooms. Television/cooking facilities are available.

There are over 60 sites available, including:

- o China Central Television
- o Asia Pacific Properties
- o Lenovo
- o Haier
- o Caterpillar
- o Nokia
- o Ogilvy
- o Buena Vista Consulting
- o Red Lantern Productions
- o UNESCO/UNICEF
- o China Charity Foundation
- o and many others!
